Follow through the rest of Steps 4 (Create a Username and Password), Step 5, Step 6 and Step 7. I believe Step 5 asks you if you would like CEUs – go ahead and fill the page out if you do.

Please check the following AND the Good Clinical Practice – You only have to complete the IRB Membership and Office Staff modules:

Group 1: IRB Membership and Office Staff - Basic Course

This will take some time to go through the 14 required modules and 2 elective modules. You do not have to finish in one sitting. Take your time ~ the key will be with AAHRPP “you are currently updating your human subject research (HSR) in the CITI Program”. Remember you all have completed your 2 hours of focused training for the year. The RH IRB does not require the HSR training every year.

As always, call if you need assistance!
